RISK ASSESSMENT FORM

ACTIVITY AND LOCATION:

Playing Lawn Tennis at Seacourt during the Covid 19 outbreak with effect from 19/7/21

DETAILS OF THE HAZARD(S) IDENTIFIED:

Contact with the Covid 19 virus via: Person to person via contact, coughs, sneezes, speech etc. Fomite (transmission from a contaminated surface), Aerosol transmission.

PEOPLE AT RISK:
Lawn Tennis Head Coach Richard Perkins
Seacourt Members and guests playing lawn tennis

PRECAUTIONS ALREADY TAKEN TO REDUCE THE RISK:

Communications:

- Pop up Guidelines on Covid precautions sent to all members via the Club website and updated as appropriate.

Bookings:

- Only Seacourt members & their guests allowed to play.
- The courts may only be used if a booking has been made through the published process.
- Players should not come to the club if they or a member of their household is feeling unwell

Social distancing:

- Sensible social distancing must be observed with respect and regard for the wishes of others who may be vulnerable.

Fomite transmission (Surface to surface)

- Sanitizers are available at the court entrance for hand hygiene before and after play
- Balls from the adjacent court to be returned along the ground using a racquet.

First aid:

- There will be no first aid facilities available at certain times. In this case, players must immediately call 999 in the event of a serious medical emergency.

DO YOU CONSIDER THEM TO BE ADEQUATE? YES
