## **MEMBERSHIP APPLICATION**

Seacourt was originally a real tennis court built in 1911. As well as being proud of its Real Tennis Court, Seacourt now caters for a far wider range of sports to make it the only club with five racket sports. In addition to this, we offer other activities such as fitness in our fully air conditioned gym, karate, yoga, pilates, fencing and ballet.

Seacourt is the top club in the world for producing a high standard in juniors in Real Tennis. Aimed at 6-15 year olds our junior coaching sessions are run weekly during term time with coaching from our team of professionals in real tennis, lawn tennis, squash and badminton. There are also coaching sessions on Saturday and Sunday mornings all year round, and our very popular Sports School during half term.

All this blends perfectly with the social venue that Seacourt has become, boasting an a la carte restaurant, function room and fully licensed bar.
