

Risk Assessment Form

ACTIVITY AND LOCATION:

Playing Rackets at Seacourt during the Covid 19 recovery with effect from 12 April 2021 (Version 2)

DETAILS OF THE HAZARD(S) IDENTIFIED:

Contact with the Covid 19 virus via; Person to person via contact, coughs , sneezes, shouting, speech etc. Fomite (transmission from a contaminated surface), Airborne Aerosol transmission

PEOPLE AT RISK:

- Seacourt Members and guests playing Rackets
- Seacourt Staff on duty

PRECAUTIONS ALREADY TAKEN TO REDUCE THE RISK:

Communication:

- All Seacourt playing members issued with detailed on-line instructions and requirements for safe play in line with this risk assessment.
- A further set of playing guidelines posted at the entrance to the Rackets court.
- The on-line instructions will detail hygiene requirements for before arrival, during play and on departure..

Bookings:

- Only Seacourt members & their guests allowed to play. No play if any player or a member of their household is feeling unwell or displaying symptoms.
- The court may only be used if a booking has been made through the published process. It should be noted there is a 15 minute gap between bookings and the court must be left vacant for that period.

Arrival & Departure:

- Players should arrive via main reception already changed, only shortly before their playing time and leave the club immediately after coming off court with no socializing in the adjacent areas or car park. Use the sanitizer placed adjacent to the door on entry and exit. Players must bring minimum belongings and not bring them on court.
- Face coverings must be worn at all times whilst in transit around the club.
- Players wishing to take refreshment on the terrace, may do so by booking beforehand.
- No spectators permitted.
- The toilets at the front of the building may be used, but showers and changing room are out of use.

Social Distancing:

- **Singles and doubles play is permitted but only for players from the same household**
-

Surface to surface transmission (fomite):

- Players must bring their own sanitizer although sanitizers will be provided at the entrance to the court for general use after play (wiping down the door etc.).
- Players will be instructed to wipe down the door on leaving the court at end of play.
- It is strongly advised that goggles be worn for eye safety and to reduce the risk of touching the eyes.
- Players must bring their own drinks and manage their possessions tidily in the corridor.
- Surfaces on the court will be cleaned once a day, including the floor. Players encouraged not to touch surfaces.

Airborne transmission:

- Coughs and sneezes must be into a tissue or upper sleeve worst case.
- Good ventilation will be maintained by keeping the upper gallery doors and windows open and the rackets court door open when not in use.
- There will be a 15 minute break between bookings to reduce the risk of remaining airborne contaminants.
- Regular CO2 monitoring to check air quality levels in lieu of air flow rates (Gov. guidance on ventilation)
- These precautions will be reinforced by a prominent notice to players at the court entrance.

First Aid:

- First aid facilities available at certain times but no mouth to mouth resuscitation. If no qualified first aider is on site, members must immediately call 999 in the event of a serious medical emergency.
