

Risk Assessment Form

ACTIVITY AND LOCATION:

Playing Real Tennis at Seacourt during the Covid 19 recovery with effect from 19 July 2021 (Version 9)

DETAILS OF THE HAZARD(S) IDENTIFIED:

Contact with the Covid 19 virus via; Person to person via contact, coughs, sneezes, shouting, speech etc. Fomite (transmission from a contaminated surface), Airborne Aerosol transmission

PEOPLE AT RISK:

- The Professional and assistants
- Seacourt Members and guests playing Real Tennis
- Seacourt Staff on duty

PRECAUTIONS ALREADY TAKEN TO REDUCE THE RISK:

The Professional and his assistants:

- They shall observe sensible social distancing at all times between themselves and club members and other members of staff.
- The window must remain open whenever the shop is occupied to provide good ventilation.

Communications:

- Pop up Guidelines on Covid precautions sent to all members via the Club website and updated as appropriate.

Bookings:

- Only Seacourt members & their guests allowed to play. No play if any player or a member of their household is feeling unwell or displaying symptoms.
- The court may only be used if a booking has been made through the published process.
- No single practice allowed before 8am as the Club may not have a member of staff on duty

Arrival & Departure:

- Use the sanitizer placed adjacent to the entrance on entry and exit. Players must bring minimum belongings and not bring them on court.
- Spectators should be aware of social distancing needs of other members who may be vulnerable.
- Showers and changing room are now in use.

Social Distancing:

- Sensible social distancing should continue with awareness of the needs of others who may be sensitive or vulnerable.

Surface to surface transmission (fomite):

- Sanitizers will be provided on court for general use after changing ends or end of play.
- Surfaces on the court will be cleaned once a day, including the floor. Players encouraged not to touch surfaces.

Airborne transmission:

- Coughs and sneezes must be into a tissue or upper sleeve worst case.
- Good ventilation and the need for minimum surface contact will be maintained by keeping the following doors open: Both ends of dedans, main corridor both ends and centre, reception, long-table room and kitchen exit if weather permits. Front upstairs windows and RT court roof vents.
- Face masks are not required but may be worn if this makes a player more confident. If face mask worn, avoid touching with hands at all times.

- Regular CO2 monitoring to check air quality levels in lieu of air flow rates (Gov. guidance on ventilation)
- These precautions will be reinforced by a prominent notice to players on the court.

Eye Protection:

- Members are encouraged to wear eye protection
- Eye protection is mandatory for all Juniors.

First Aid:

- First aid facilities available at certain times but no mouth to mouth resuscitation. If no qualified first aider is on site, members must immediately call 999 in the event of a serious medical emergency.
